Closely read the hallmarks and logos Every Cartier Love bracelet is stamped with a “hallmark” that indicates the metal quality.. So if the price seems too good to be true, it probably is Cartier Watch Serial Number CatalogBut one notable outlier here is the Charles Revson Love Bracelet.. Stamped with “Charles Revson” on the inside, this iteration was a less expensive version of the original.

To keep costs low, the Revson Love Bracelets were electroplated and unscrewed only on one side.. This authentic vs replica Cartier Here are five ways to determine if your Cartier Love Bracelet is real—or just a really good fake.. In turn, an immediate giveaway is the weight of the bracelet Depending on their size and metal, a Cartier Love Bracelet should weigh between 30 and 38 grams (roughly the equivalent of five to six US quarter coins).
